Teenage Republicans

TARS - Teenage Republicans

The Teenage Republicans are a youth group that teaches the Republican values through doing service in our community. For example, last year, we made pillowcases for Logan Hospital for the hospitalized children and in September, assembled back packs for children in need at littlelambsofutah.com.

We are working with the Key clubs at the High Schools for other service projects that give teens a chance to make a difference in our community. The Teenage Republicans believe in teaching principles through action, not just books.

To get involved with the Cache Teen Republicans, call Natalie Levi at 801-682-3568.
