Chair Corner

My fellow Republicans!

Thank you for all you do to keep Cache County conservative! Tis the season to be gearing up to help our candidates be victorious in November. Now is time to roll up our sleeves, knock doors, plant yard signs, attend or host town hall and/or cottage meetings. I remind all of us, it is our privilege to live in a land of liberty, preserved by that sacred document, The Constitution of the United States. We must work together to win the day on Tuesday, November 6th!

A Republican sweep is a victory for liberty, limited government, and conservative principles and values. I encourage you to double-check and verify that your voter registration is up to date with your correct mailing address especially; you don't want to miss your ballot. Please watch for updates and information on each of our candidates, the initiatives, and where they stand on the issues. You will be able to soon find this information and more at our website, www.cachegop.com and on our Facebook Page [@cacherepublicans](https://www.facebook.com/cacherepublicans). We are also looking for volunteers to help us with each candidates campaign. If interested, please contact me at chair@cachegop.com.

I am honored to serve as your Chairman!

Sincerely,
Chris Booth
Cache County GOP Chair

Vice Chair Chat

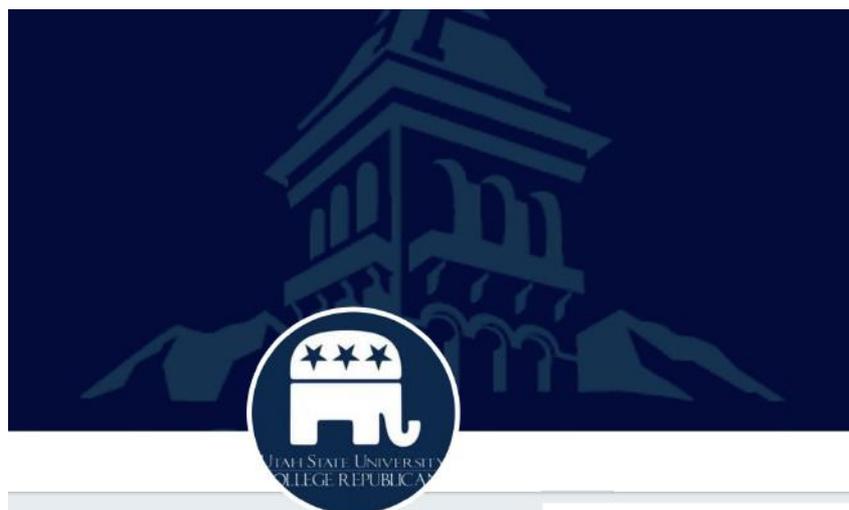

Fellow Cache County Republican,

Keep up the good work everyone! Stay active and stay involved.

Remember what Thomas Payne said:

“Those who expect to reap the blessings of freedom must, like men, undergo the fatigue of supporting it.” Thomas Payne

USU Republicans

Hey you great GOP Aggies!

! We will be hosting our first meeting next Tuesday September 4, at 5 PM in Old Main 301. We will be electing new officers so if you want to get involved please be there!

Cache County Council Report

Barbara Tidwell

My name is Barbara Tidwell. I have been serving on the Cache County Council representing Seat 2 for one year and eight months. It has been an exciting time for me and I have been learning so much about the Cache County Council and the different committees that I serve on for the county.

Needless to say, serving on the Cache County Council has been a lot more involved than I thought it would be, but it has been a rewarding experience. I am serving on the Trails Committee, Audit Committee, Cache Compensation Committee, and Homeless Task Force Committee. I am past board member of the Water District and was heavily involved with the formation of the Cache Water District.

I have been impressed with the knowledge of our Cache County Executive, Craig Buttars, and the other members of the Cache County Council. They serve on different boards and take their expertise to those boards. I am so pleased to serve with them and glean from their knowledge.

One of the biggest items that require a lot of work and knowledge is the planning the budget for each year. There is so much thought given to protecting the funds for the county. All those involved in the budget process are very aware of the Cache County constituents and the trust that is given to us to provide the services that will best benefit all of Cache County.

The Cache County Council Executive, Cache County Council and department heads for the county are very informed and have the best interest of the county at heart. We appreciate the support of our constituents and their involvement in our community.

I am grateful to serve on the Cache County Council. Thank you for your support and willingness to give me your trust.

Sincerely,
Barbara Tidwell

State Central Committee Report

Boyd Pugmire

Former United States Secretary of State Rex Tillerson stated, "If we do not, as Americans, confront the crisis of ethics and integrity in our society and among our leaders in both the public and private sector-- and regrettably at times even the nonprofit sector--then American democracy as we know it is entering its twilight years." I agree it is time to confront this problem.

UTGOP State Central Committee members are sent to represent the interests of more than 600,000 registered Republicans from across the state of Utah. I believe that we need to be accountable to all Republicans. One way in which we can do this is to require all voting within the SCC to be done with a roll call vote and to be made public. Our neighbors could then verify whether or not we are representing them well, and they could choose whether to remove us from the committee or send us back.

We'd do well to remember the words of George Washington when he said, "Guard against the impostures of pretended patriotism."

--Your former Chair, Boyd Pugmire

Meet Teresa Jewkes, Cache GOP Treasurer

Teresa was born in Utah Valley and was raised between Utah and Nevada. She moved to Cache Valley nearly 28 years ago, fell in love with the valley, and stayed. She has five awesome boys with her husband, Tom.

She is a Utah State University graduate and loves the Aggies! Teresa works as an accountant and Fractional CFO for several small Utah businesses. Some of her favorite things are the sun, beach, and sand. She also enjoys spending time with her family, traveling when she gets the rare chance, photography, and shooting. One of her favorite activities each year is watching the fireworks on the 4th of July. She's grateful to be able to serve in the capacity of treasurer for the party and has enjoyed the new connections and experiences that have come with it.

One of her favorite quotes is, "Let us have faith that right makes might; and in that faith let us, to the end, dare to do our duty as we understand it."-Abraham Lincoln

Technology Committee Report

Technology Committee Report

To improve communication with party officers, precinct officers, central committee members, and to make precinct and central committee voting faster, easier and more secure, the Tech Committee is designing a new software platform. Through the summer months, the committee has designed the database, and is now transitioning to writing code.
