

Attention

PRIVATE VOTERS

Your name will not appear on our lists.

Using your smart phone go to
Vote.Utah.gov

Select
“Find my voter registration info”

Enter your information and
press “Submit”

Show “My Voter Registration
Info” and your ID to the Caucus
Worker

If you need assistance, please notify a Caucus Worker

Voter Registrations are a public record, a voter may select to have their voter registration made private. If a voter registration is classified as private it cannot be provided to the political party. If you are a “Private Voter” the political party does not have your information and your name will not appear on our lists. Please help us verify your voter registration by following the steps listed above.
